DISTRICT 11 D-2

Governor Dr. Shawn Wightman

Calendar-of Events:

May 18-20 MD-11 Convention (Muskegon, MI)

May 18-20 5th Counsel of Governors Meeting (Muskegon, MI)

May 24 Global Action Team Meeting (Yale Lions Hall)

DISTRICT GOVERNOR DR. SHAWN WIGHTMAN

Our 11 D2 Lions Clubs are achieving some of the best service projects our District has ever seen in years thanks to your knowledge and experience. But that's only the start. Your efforts are laying the groundwork for everything that will come after this year.

We all have high expectations for ourselves, and as we encourage others to join us, our impact will continue to increase as we establish new clubs, support our foundation, and serve like never before. In order to increase membership over the next few months, please continue to constantly promote your team and clubs in the media (i.e., social media platforms, newspapers, radio, etc.).

Take advantage of every opportunity and make the most of this time to ensure the success of our District. Back in July, we got right to work. Now, let's work even harder and accomplish even more than before June 30th.

Our New Lions Worldwide Brand

To provide Lions with a vision for the future and a plan for achieving it, LCIF has unveiled the Lions International Strategic Plan. One of our organization's main objectives is to improve our association and foundation, and the new Lions International brand is one of the most obvious ways to achieve this.

Lions International offers us a fresh platform to inform people about the impact that our association and foundation have as a whole and the way that we are working together to help those in need. Visit the organization's brand site (see <https://shorturl.at/HJW19>) for frequently asked questions, a presentation, and more, and view a special video featuring President Sheehan (see <https://shorturl.at/dfuJP>) on what the brand means for Lions.

Together, we make a difference!

DISTRICT GOVERNOR DR. SHAWN WIGHTMAN

1st. VICE DISTRICT GOVERNOR JAMES WHITE

Hello fellow Lions

For those who don't know me I am Jim White and I am honored to be your First Vice District Governor. I am owner of Luxury Bath by Mobility Remodelers in Port Huron and I live in Port Huron.

I chose to join the Lions after the death of a very close Family friend that had made a profound difference in my life growing passed away. He suffered from Retinitis Pigmentosa during his life and eventually went totally blind in his early 40 s with the help of the Local Lions club he lived his best life for over 40 years. In his memory I joined the Lions. Port Huron Host is my home club and have enjoyed serving as a club President, a region chair and zone Chair. I have learned a great deal from Governors and PDGS and I will continue to learn to better serve our clubs and Members.

Yours in Lionism

1st. VICE DISTRICT GOVERNOR JIM WHITE

2nd VICE DISTRICT GOVERNOR JUDY KELLER

Hello fellow Lions

It is safe to say that everyone who attended this year's forum thought that it was an outstanding time. The breakout sessions had very good topics and great speakers. The key note speaker Dustin Dale, was outstanding!! I can't wait to read his book on leadership and serving. More VDG training was on tap as well. Sometimes I feel over whelmed with all there is to learn, but I have good support team behind me. There is still time to register for the upcoming up convention on March 17,18, 19. This year it is being held at the DoubleTree Airport in Grand Rapids. Look for the registration in the newsletter. Any questions about the convention you can email me at judyakel76@gmail.com or call me at 989-670- 1401. Hope to see many Lions this year at the convention!

2ND VICE DISTRICT GOVERNOR JUDY KELLER

PDG DON SPINKS, Global Membership Chair

I would like to share some great news on our District membership. At this time our membership has risen to 1340. We started the year this past July with 1308 members. An increase of 32 members is outstanding and congratulations go to Port Huron Host Lions club who inducted 18 members. This goes to show that if you ASK, they will come. This reminds me of the movie Field of Dreams. There, the famous phrase was “if you build it, they will come”. I can definitely see the comparison with our District membership. When you Ask someone to join your club you are building our Field of Dreams, our membership Field of Dreams. We continue to be the largest District in the state and to remain there we still need every 11D2 Lions clubs to go out and Ask. Continue to expand your club by increasing membership.

ALMONT LIONS CLUB

The Almont Lions Club has been busy. They presented 150 White Pine seedlings to all fourth (4 th.) grade students at Almont's Orchard Primary School and Dryden Elementary School. They are selling raffle tickets for a wagon filled with things for a garden. On Thursday, Friday, and Saturday, May 18, 19, and 20 we will have a rummage sale in our hall. Members of our club have assisted the Lapeer Lions at the Poker Night and performed a KidSight vision screening in Anchor Bay. We are observing White Cane week by seeking donations locally. The annual golf outing will be held Sunday, August 13, at Heather Hills Golf Club. Our next Euchre tournament will be on Friday, May 12, 2023. On April 10, 2023 Red Cross conducted a Blood Drive in the Almont Lions Hall. They collected 41 units of blood, since 2005 they have collected 3042 units of blood, potentially saving 9,126 lives.

MEMPHIS LIONS CLUBS

Leo advisor Nancy Thomson, Lions Jason Sopha, Mike Kaminski, and Deb Kaminski along with Leo Avery Pare'. Also, future leader dog for the blind Polly celebrating Arbor Day with Memphis Third Grade Classes. Everyone went home with a tree to plant, even Polly! The class learned that trees are one of mother natures' way of fighting global warming. This is a service project that easy and inexpensive.

FORT GRATIOT LIONS CLUB

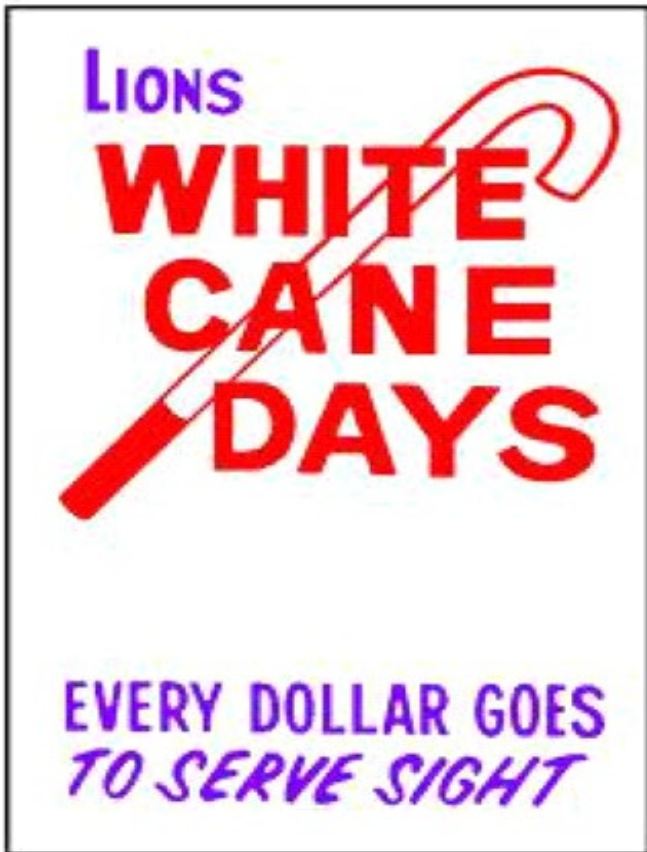

We had a grand time yesterday at the YMCA's Healthy kids day. So many activities for the kids. With all our screenings, we had 2 referrals. Always a good feeling to be able to catch eye issues early in kids. Great job from ALL our Lion's members.

CAPAC LIONS CLUB

The Capac Lions Club would like to thank the Capac Fire Department, CYBL and Lion Mary Riley and Lion friend Jen Kluger for helping the Easter Bunny this past Easter. Lions serving the community.

APPLEGATE LIONS CLUB

May 29th, the Applegate Lions will partake in white Cane from 9 am to 12 pm. Be sure to come by and make your generous donations to help the sight impaired. This is a practice that Lions clubs can take advantage to raise critical funds for charity projects for the community and the entire area. There are many aspects of sight problems. Some of the clubs have already participated and done well.

MARLETTE LIONS CLUB

On behalf of the American Red Cross (ARC), Marlette Regional Hospital is honored to present our faithful drive volunteer with a personalize certificate of appreciation, ARC lapel pen and a gift bag for their faithful support of our local ARC drive. Giving back to the community.

Thank YOU to: Tim Dietzel ,
Marlette Club President.

APPLEGATE, DECKERVILLE, & LEXINGTON

This is another truckload of plastic on its way to Trex for recycling into a park bench for our communities. Since December of 2020 District 11-D2, in cooperation with the Applegate Lions Club, entities from Lexington including the Lexington Lions Club, Deckerville Lions Club and participating entities in Deckerville, and District 11-D2 have collected 11,996 lbs of plastic that has been kept out of our landfills and placed 48-inch composite benches throughout the communities. There are other clubs in the district that are also being good stewards of the environment in collecting recyclable plastic for their communities. This is a great service project. Eliminating plastic in the land fill without costing the clubs any money.

METAMORA LIONS

IPDG Brian Betzold got to hang out with the St Augustine lions during their seafood festival. Their two-weekend festival sees around 15,000 people. Several other local lions groups pitch in to help as well

APPLEGATE LIONS CLUB

In April, the Applegate Lions Club made twenty-one Easter food boxes to hand out to their community needy families. Way to go Applegate Lions.

Have you ever heard of Dyslexia?

Dyslexia is a learning disability in reading. People with dyslexia have trouble reading at a good pace and without mistakes. They may also have a hard time with reading comprehension, spelling, and writing. But these challenges aren't a problem with intelligence. Dyslexia is a common condition that makes it hard to work with language. Some experts believe that between 5 and 10 percent of people have it. Others say as many as 17 percent of people show signs of reading challenges.

People with dyslexia don't outgrow it. But there are teaching approaches and strategies that can help them improve their reading skills and manage the challenges. People of any age can be tested for dyslexia, although the tests are different for adults than for kids. People with dyslexia typically have trouble [reading fluently](#). They often read slowly and make mistakes. That can impact how well they comprehend what they read. But when other people read to them, they often have no problem understanding the text. Dyslexia can create difficulty with other skills, too. These include: Reading comprehension, Spelling, Writing and Math. People sometimes believe dyslexia is a [problem with vision](#). They think of it as [reversing letters or writing backwards](#). But dyslexia is an issue with language. It's important to know that while dyslexia impacts learning, it's not a problem of intelligence. People with dyslexia are just as smart as their peers. There are countless stories about people thriving with dyslexia, including [actors](#), [entrepreneurs](#), and [elected officials](#).

Now, as lions, I want all of us to take a good look at this. Ask questions like what can we do to help with this problem. What can lions do? How can we identify this and get their trust. We can read to them and listen to them read. We can help identify their problem areas and help, them.

LCIF CHALLENGE FOR CHANGE

Bring your change to the MD 11 State Convention and support your District in the Challenge for Change LCIF Event.

District Governors have been challenged to decorate a Gallon Milk Jug for donations to LCIF. Clean out your counter tops and pockets for change you have laying around and donate it to your Governor's collection jug.

The District raising the most money at the Convention will be awarded a Melvin Jones that they can present in their District to a well deserving Lion.

We make a difference Internationally through the funds and service we contribute. Our donation will be presented to IPIP Douglas Alexander at the Awards Banquet on Saturday night, May 20. Let's make a Difference!

Dining with Diabetes is a fun and interactive series for individuals with prediabetes, type 1 or type 2 diabetes, members of their support system and/or anyone interested in learning more about healthy eating and diabetes prevention.

During each class, participants will learn how to make healthier food choices and incorporate balanced menus into their family dining experience. Classes include research-based education and cooking demonstrations from the recipes in the take-home participant books. Participants will also get to sample and taste the delicious foods that are made during each of the classes.

Testimonials from Participants who took this class:

"I learned through this class that foods cooked with healthier ingredients can be very tasty!"

"The recipes in the participant book are great! Very good class!!"

EMMETT LIONS CLUB

Emmett lions recently, had a meeting with District Governor Dr. Shawn Wightman. This club collected pull taps for drink containers. PDG Peggy Farnsworth from Otter Lake Lions sells the aluminum to a local scrap yard and the proceeds go to the Ronald McDonald house. Collecting pull taps is a painless project costing nothing and gaining so much. Need other clubs involved.

Emmett Lions have a large collection of medical equipment and needs to donate to anyone needed these items. The majority are crutches and walkers that type of equipment. If you have a need they have you covered; call PDG Chuck Belesky. The price is right. (810-543-0990)
