

2021-22 District Goals

January

District Goals Pre-Assignment

Complete the district goals pre-assignment and review its supporting resources.

February

Build a Team

Build an effective team of motivated, dedicated and passionate Lion leaders to support your district in the coming year.

March

Build a Vision

Conduct a District SWOT analysis and continue to use the *District Strategic Plan Workbook* to analyze service, membership, leadership development and LCIF trends in your area to finalize the district's vision for the year to come. Don't forget to connect with your multiple district to determine if an additional custom goal has been created.

March -
April

Complete eLearning Course

Once assigned in March, complete the *Action Planning to Achieve District Goals* eLearning course in the LLC. It will help you understand the various components of an action plan template and how to create well-developed action plans in preparation for the 2021-22 District Goals platform launch on **April 9, 2021**.

April

Build a Plan

Upon completion of the *Action Planning to Achieve District Goals* eLearning course, you and your district team can begin developing action plans to support the district goals. Don't forget to reference the *Sample Action Plan Booklet* for additional assistance!

May

Build Success

In preparation for a successful year ahead, beginning **May 1st** build momentum to execute the plan with engagement across the district, track and report results, and make course corrections throughout the year.

June

Submit District Goals

Complete the 2021-22 district goals and action plans with the help of your district team by **June 30, 2021**.
