### CALENDAR –EVENTS

Dec. 6-7 COG Meeting Lansing

### **DISTRICT GOVERNOR CORNER**

May December bring all the members of 11 D2 and their families a wonderful Christmas season. Enjoy your family and friends time together and have safe travels.

**Merry Christmas and a Happy New Year**

### ***DISTRICT GOVERNOR JUDY KELLER***

*Lions of 11 D2 are rocking out the service and we are now at 98%. We are leading the district in reporting. I am proud of all the clubs for reporting their activities. Keep up the great service and reporting and let's show the other districts how passionate we are about helping others in our communities. Now I have the bad news, we are still fighting to get our membership up. Congratulations to St. Clair for installing 4 new members on December 3rd!! May we all learn from them and follow with a new member to each club. It's hard to believe we are halfway thru our Lion year. Time has gone by fast for me, but I am enjoying it all. Let's strive to make the next half of year one that will bring up our membership and continue on with the great service that we do.*

*Wishing you all a Merry Christmas with family and friends!*

*District Governor Judy Keller*

**1ST VICE DISTRICT GOVERNOR DAVE FISHER**

Welcome to December the most hectic month of the year, I hope you all had a GREAT Thanksgiving with family and friends.

Where did the last 5 months go? With club visits, COG meetings, and Zooms. Then add training, there is a lot to this job.

Just a reminder it's December and time to square your Lions accounts with International and state, because new bills are coming.

PDG Don Spinks has been offering training for the new Portal along with Secretary training and Zone training, watch for dates and time in the newsletter.

This Year at Hadley Spaghetti dinner, which was very well attended, we had 6 Piece posters to voter for, the contestants did a very good job, and it was hard to choose, the winning Poster now moves on to Lansing, where it will be entered with other district posters and judging starts all over again.

Some clubs have gained new members, keep up the good work. I know it's hard to recruit, remember more hands makes those club project go a lot easier and a lot less stressful.

I wish everyone a very MERRY CHRISTMAS and HAPPY NEW YEAR.

**2ND VICE DISTRICT GOVERNOR / MEMBERSHIP CHAIR TIM DIETZEL**

Hello fellow Lions Members

I hope this short message finds you all doing well.

I cannot believe that it is already December; how the year has flown by! We as service clubs need to remain vigil on members and how to get them involved. We will have some ideas on how to keep members involved with club activities. Our goal is to serve the community, the district, the nation, and the world. There are people in need all around us. We need to work with the schools, churches, the local municipalities. There are neighbors that are in need and do not know how to ask for help that is why Lions have to take the initiative to get them what they need. Especially around the Holiday season. Too many people go it alone. Hope everyone has a happy holidays.

Treat members with kindness and compassion.

**2ND VICE DISTRICT GOVERNOR / MEMBERSHIP CHAIR TIM DIETZEL**

**DON SPINKS LEADERSHIP CHAIR**

Three different trainings have been completed so far for the first quarter. September 14<sup>th</sup> we had portal training at the Applegate lions club. Eleven lions were in attendance. September 30<sup>th</sup>, we had another portal training at the Almont Lions club. Eight were in attendance. So far for portal training a total of 19 lions familiarized. October 18<sup>th</sup>, I conducted region and zone chair training in Marlette. Four were in attendance and completed the course and. Another zone chair completed the LCI Learn course on being a Zone chair. One more zone chair to go and we in 11D2 will have all our region and zone chairs trained. Club officer training is still online by going to YOU TUBE. In person training has been looked into and will be scheduled or have an in-person training in every club for the applicable club officers.

Please take time to watch this video and let me know your thoughts on it and should we update the video. If you watch this training video and let me know, I will sign you off in LCI as completing club secretary training. Let us make our district governor Judy Keller look better than all the other district governors in Michigan. Thank you for your time. Donald L Spinks District Leadership Chair. My number if there are any questions is 989-551-5726. ### **GLOBAL LEADERSHIP TEAM**

We have had a lot of training this past six months. One of the major focus factors was on Portal training. We also trained nearly all of our zone and region chairs. One more to go to get a 100% region/zone chair trained. A Guiding Lions class was offered at the Almont Lions club and hopefully we can get another scheduled after the new year. Guiding Lions is a continuous need for the District. If you like helping other clubs that may be chartering troubled waters, then we need you. Please let me know if you're interested. Thru the GLT, I strive for our district to reach the goals set by our District Governor Judy Keller and you should also strive for that. I know that there are plenty of clubs out there that are in need of Portal training and club officers training. Please contact me so we can get this going. I sent the majority of club secretaries the link to the club secretary training video that our PDG Wes Wagester made while he was our District GLT. I ask for them to view it and send me their thoughts on updating it. I have had great responses for this and I plan on doing the same for club president and treasurer training. Once I have all videos viewed by the applicable club officers and have their responses, I will sign them off in LCI for club officer training. Believe it or not, things change. The old saying, " I have been a club officer for years" need to and will change so all club officers know our current progression in training. We strive to support our District, State and International Lions. I am asking each and everyone of you to help me make our District Governor and you shine this year .

## EMMETT LIONS CLUB

Emmett Lions mourn the loss of a great Lion John Cowan died Saturday morning October 26. John joined the Emmett Lions in March of 1976. He was an outstanding member of the Emmett Lions for 48 1/2 years. Lion John served as the District Cabinet Secretary/Treasurer 2008/2009 and then as Cabinet Secretary in 2011/2012 lion year. Lion John was the Secretary of the Emmett Lions for 45 years. Lion John was always at the front and center on club projects. Also, was a regular at the Bear Lake Spring clean-up and fix-up initiative. One thing that was true about Lion John Cowan; he was a lion role model.

## ALGONAC LIONS CLUB

Algonac Lions donate to the children facing long hospital stays. They have a thoughtful gift heading their way, organized by the Algonac Lions Club. The group assembled donations of crayons, activity books, card games, and more to send to young cancer patients at two local pediatric hospitals. Click on the web site and see. What a great effort by Lion Wendy Wojtas the pediatric oncology chair.

## KidSight Vision Screening

**KidSight Vision Screening program. In our District 11 – D2, ten (10) Lions Clubs have sponsored a KidSight Vision Screening event within the July 2024 – September 2024 timeframe. They have conducted 23 screenings with 581 people screened and 69 referrals. The 2023 -2024 Screening Summary shows that in MD 11 (the Lower Peninsula) 33,000+ people were screened with 3,904 referrals, 125 Lions Clubs participated, with 360 Certified KidSight Volunteers. The 2024 – 2025 Goals are 35,000 Screenings (a 5% increase) 400 Certified KidSight Volunteers (10% increase), with 150 Michigan Lions Clubs participating (20% increase). Plans are to offer a KidSight Training session for District 11 – D2 soon. The Lions of Michigan Foundation list of certified volunteers shows that our district has six (6) Certified Vision Technicians and twelve (12) General Volunteers. I am sure we have more people in each category that are not listed. If your club has not sponsored a screening please consider doing so.**

### ALMONT LIONS CLUB

There will be an American Red Cross blood drive held in the Almont Lions Hall on Monday, December 16. Since 2005 3,301 units of blood has been collected at blood drives held in our building. Potentially 9,903 lives have been saved, Blood drives in the Almont Lions Hall have resulted in 156 units of blood collected during 2024.

The Almont Lions sponsored the Lions Clubs International Peace Poster in Almont Middle School and Dryden Junior High School. We are proud to announce the winners of the contest in each school are: Audrey Alexander at Almont Middle School; and Claton Thorman at Dryden Junior High.

The Almont Lions provided complete Thanksgiving dinners for 8 families (a total of 41 individuals). We are preparing to provide complete meals for Christmas dinners as well as helping families in need with Christmas gifts.

### DISTRICT 11 D-2 PIDATRIC ONCOLOGY PROJECT

The District 11D2 Pediatric Oncology Project was a huge success. Please find attached pictures of the delivery to Children's Hospital of Michigan. We were able to donate a U-Haul full of toys and necessities to both Children's Hospital of Michigan and CS Mott Children's Hospital on Monday, 12/2, with the assistance of Pediatric Cancer survivor Eli, a Lukemia survivor, who spent several years at Children's Hospital of Michigan. We met Eli and his family at the Port Huron Host Lions Spaghetti dinner and they told attendees Eli's journey. Eli is now age 19 and cancer free. The District also donated \$4000 to each hospital as well as donations of toys, puzzles, books, hats, gloves, scarfs, socks, beauty items for the children and toiletries and necessities for the parents for their unexpected stays at the hospital. Corcat U-Haul of Algonac worked with the project to provide transportation of our district's load of love. The project was featured on WWJ Radio 950 and CBS Detroit. Thank you to all District 11D2 Clubs, their families and friends for your generous donations.

## HADLEY LIONS CLUB

This year the Hadley Lions hosted the peace poster contest once again. We had 6 entries this year. A couple were disqualified due to the age rules. This years winner was sponsored by the Lapeer Lions Club. Here she is with the winning poster, Porsche Leon. The judging of peace posters is always accompanied with Hadley Lions famous spaghetti dinner.

## CROSWELL LIONS CLUB

Toys For Tots, the Marine Corp entity, received a grant from Harbro Toy Company, and received 27 pallets of toys. They are unable to distribute such a large load, so they reached out to the Croswell Lions and offered as many toys as we could take. On November 8th members of the club went to the warehouse in Marysville with two pickup trucks and two SUV's, and loaded them up to the gills. The toys are to be shared with other clubs and non-profits to be further distributed to children less fortunate this season and beyond. Pictured is but one of the trucks piled high!

## MARLETTE LIONS CLUB

The Marlette Lions are here at Merry & Bright in downtown Marlette. Come get hot chocolate & popcorn. What a night! Thank you to everyone who helped, showed up, had fun and participated in Second Annual Merry and Bright in Marlette!! We had over 300 kids with their families and the first lighted parade was so cool. The chili cookoff warmed everyone up. The ATV lighted parade had over 26 entries. What a great way to kick off Christmas.

## CROSWELL LIONS CLUB

The Croswell Lions Club had a field trip to Eversight in Ann Arbor, on November 9th. Shown is Alex Triska Hicks, the coordinator for the Lions Clubs, explaining some of the procedures that Eversight does to make corneas viable for transplanting. Eversight supplies approximately 1400 corneas per year to help people see. Along with Lion Cheryl Kriete were Lion Colion Fischer, PDG Jack Kriete, and Robert Loomis, Cheryl's Grandson and a pre-med student at U of M in Ann Arbor.

A very informative trip that explained where our donations go to help those in need.

## PORT HURON HOST LIONS PEDIATRIC CANCER PROJECT

The Port Huron Host Lions had a spaghetti dinner on 10/17 to assist the District 11D2 Pediatric Oncology Project. We had a young pediatric oncology patient, Eli, now age 19, and his family, attend the dinner. Eli's parents addressed those attending and took us through the journey of how young Eli spent most of his young years at DMC Children's Hospital Pediatric Oncology Unit and how important these donations were to Eli and his family as they basically lived out of their car for years as Eli received treatments at Children's Hospital. Eli is now cancer free. The Port Huron Host Lions collected \$2000 in dinner ticket sales and donations with the Port Huron Host Lions adding an additional \$1000 for a total cash donation from Port Huron Host Lions to the project of \$3000. To top that off, that very week, District 11D2 also donated an additional \$3000 from their Pediatric Cancer Fund to the project. To date the project has received an abundance of items donated from the Amazon wish list from Lions across the District as well as the community at large. Donations are being collected through Thanksgiving and will be presented at Detroit Children's Hospital and CS Mott Children's Hospital Pediatric Oncology Units on Monday, 12/2. Any Lions wishing to attend are welcome!

Almont Lions are currently busy gathering material for their ""GOODFELLOW"" paper.

The Almont Lions hosted "Cookies with Santa for the Almont Cub Scouts on Friday, November 29.

## READING ACTION PLAN

How Long Do You Want to Live? This is the question for this month.

People who make time for reading may enjoy a longer life, which they can use to do even more reading. A Yale University study discovered that book readers were 20% less likely to die over the 12 years of research compared to non-book readers. This study indicated that books were more beneficial for longevity than magazines and newspapers. For me, I would like to live as long as possible. I have found that reading a book will take me to more places of adventure. Compared to just reading news articles or magazines may not have the same effect on you. Quick read articles seem to not have that long lasting impression on you as compared to a book. The holidays are fast approaching us and our minds will be going in a million directions. Settle the mind down and enjoy total body comfort with an interesting book. There are a lot of books with adventures in Thanksgiving and Christmas. Come on now, give it a try.
