Greetings Lions of District 11D2

As we continue our journey together this Lions year, I want to begin by saying thank you.

Thank you for giving your time, your talents and your hearts to serving others. Every food drive, vision screening, community project, fundraiser, donation, visit and helping hand makes a difference. Service is at the heart of who we are as Lions and I am proud of the incredible work being done throughout District 11D2.

I want to encourage every club and every Lion to continue looking for opportunities to serve your communities. But, just as importantly, **Please make sure your service is reported.**

When we report our service, we tell the story of what Lions are accomplishing. It allows us to show our communities, our district, our state and Lions Clubs International the tremendous impact that Lions are making.

There are many people who have a genuine desire to help others and make a difference; we simply need to invite them to join us.

Membership growth begins with service. When people see Lions serving their communities, they see an organization they want to be part of. I encourage every club to ask:

- **Who in our community has a heart for service?**
- **Who would make a great Lion?**
- **Who can we invite to serve alongside us?**

Continued on page 2...

Let's continue to grow our membership by sharing our passion for service and inviting others to experience the joy of being a Lion.

One of the goals this year is to strengthen the unity among the clubs of District 11D2 and throughout the Lions of Michigan.

We may belong to different clubs, but we are one Lions family. I encourage clubs to work together, attend one another's events, share ideas, participate in district and state projects and support fellow Lions whenever possible. When we work together, our ability to serve becomes even greater.

- **One club can make a difference**
- **United clubs can change communities**
- **United Lions can change the world**

Club officers, please make every effort to keep your member informed about important Lions dates and opportunities throughout the year. Please watch for information regarding:

- **Lions of Michigan State Forum**
- **USA/Canada forum**
- **District 11D2 Annual Convention**
- **Lions Clubs International Convention**
- **District and club events, training opportunities and service projects.**

An informed Lions is an engaged Lion. Please share these opportunities with your members and encourage them to participate. Leadership is not simply about holding an office. It is about being willing to step forward, learn, encourage others and help our clubs succeed.

If your club has a question, concern or need, please remember that you are not alone. Reach out to your Zone Chair or me. We are here to listen, support you and help find solutions.

Let's continue to communicate, work together and support one another as we move forward through this Lions year. Thank you again for everything you do. Your willingness to serve is what makes District 11D2 strong.

Let us continue to serve with a purpose, grow through service and stand united as Lions. Together with **"A Renewed Vision,"** I look forward to all that we will accomplish.

Your in Lionism and Service
DG Tim Dietzel 11D2 – 2026-2027

Lions of Michigan Foundation

The *Lions of Michigan Foundation* is a public charity that was created in 1984 to help Michigan Lions Clubs provide community services. Recently (in November) our District applied for and was granted two requests that we had submitted for assistance. The Deckerville Lions requested aid for a Family that had a house fire. Their grant was approved for \$1,000. The Lapeer Lions requested aid for a youth needing vision therapy. Their grant was approved for \$2,000. Additionally, the USA Lions requested aid for a Family that had a house fire. Their request was granted and a Check for \$1,000 was forwarded for that request. THANK YOU to the Foundation. Please support this fine organization with your club, or individual donation.

The Lions of Michigan Foundation provides financial assistance and services to help uninsured and financially struggling Michigan residents with the treatment of vision problems, eye conditions and eye diseases. Three (3) individuals in our district have received Eye Care Assistance through the Lions of Michigan Foundation Eye Care Assistance Program.

The Lions of Michigan Foundation recently purchased two (2) cameras designed for diabetic retinopathy screening. Will keep everyone updated when we learn more about this program.

From July 1, 2025 through January 2026, eleven (11) clubs in District 11 – D2 have donated \$5,600.44 to Lions of Michigan Service Foundation with an individual family having donated \$805.20, this is only 24% of our clubs, and this amount is the least for any Michigan district.

The Lions of Michigan Foundation also provides an Affordable Hearing Aid Program, so far two (2) individuals in District 11 – D2 have received assistance since July 1, 2025.

Michigan KidSight Program

Our Michigan KidSight Program is designed to identify treatable and preventable causes of vision loss in children as young as 1 year-old. We utilize a hi-tech mobile vision screener that is programmed to quickly and accurately identify vision disorders such as myopia (nearsightedness), hyperopia (farsightedness), anisometropia (unequal refraction power), astigmatism (optical defect), anisocoria (unequal pupil size) and strabismus (gaze deviations) through non-invasive testing. Our portable vision screener performs a binocular test of both eyes within 1 second, and it instantly and accurately (98% accuracy rating) identifies potential vision problems. When problems are detected, our vision screener reports a “Fail” or “Refer” status, and a detailed report identifying potential problems is provided to the child’s parent or guardian for further follow-up with an optometrist or ophthalmologist.

If diagnosed early, 95% of vision disorders can be corrected, however when vision problems are not detected early, vision loss can be irreversible. Over time, treatment options diminish, and the cost of treatment increases. From July 1, 2025 until January 31, 2026 KidSight vision screeners in District 11 – D2 have screened 513 people with a total of 62 referrals. Statewide, for the same time period, 28,486 people have been screened with 3,357 referrals.

HADLEY LIONS CLUB

ZC Keith Kaighen and 1st DVG Deb Kaighen, represented 11 D2 at the Leader Dog For the Blind at an event yesterday. We met Lions from all over the United States, that came to tour and learn about the facility. This place is absolutely awesome! This is just one of the places that our fundraising monies go to. This place raises the dogs and then matches them with a blind client. We met 4 former clients and their dogs, that they really couldn't do without. They all shared how the dog enhances their lives.

HADLEY LIONS CLUB

Hadley Lions were present at the Pork and Plaid event in town. Our oldest lion, Lloyd Broecker grew one of the pumpkins. It was promptly named the "Lion King". A great time was had by all.

ELKTON LIONS CLUB

As we transition to fall, remember when we celebrated Autumnfest with two floats for the Grand Parade on Saturday, September 5. Aboard the Elkton Lions Parks & Rec float, the 2025 Snow Royal Court waved at the audience. This was followed by the Elkton Lions Club float coming through town. Along the way, volunteers handed out gifts, such as candy. Beyond the Elkton Lions Club and Parks & Rec, many other people contributed to the festivities. From the color guard and first responders to the Laker Marching Band and Nick Johnson as the commentator, Autumnfest conveyed plenty of community spirit.

As Elkton Lions, we appreciate being a part of the Grand Parade. We hope everyone present enjoyed Autumnfest 2026. The pictures are courtesy of Lion Lucas Swartzendruber, Elkton Lions media specialist.
